WHAT

Because Trick or Treating will be a bust (thanks, Covid), let's have some good ol' fashioned fun with a Costume Parade. (No candy, please!)

WHERE

Royal Oaks Drive and Oxford Streets - See Map to the left. We'll utilize the sidewalks and the roads, walking carefully in the daylight.

HOW WILL THIS WORK

- Dress up in your Halloween Costume.
- Set up your chairs in your driveway or front yard. Get festive and decorate!
- The Archibald Family will start the Parade (from the pumpkin on Royal Oaks Drive). When the last parade unit passes your house, jump in line (leaving at least 6 feet between you and the group in front of you).
- The walk is about 20 minutes.
- If you do not want to walk, please watch the parade! Parades need spectators (you can dress in costumes as well).
- No motorized vehicles, *per City of Shoreview*.
- Smile and wave to your neighbors!
- When you return to your house, take a rest and watch the rest of the parade.
- **PLEASE: Do not pass out candy** during the parade. We know it'll be tempting, but restrain yourself. Supply your own candy for your own parade unit and spectator sections.
